

**Amendments to the Drawings:**

The attached formal drawing sheets replace the original sheets of formal drawings. However, the color drawings attached to the "Petition to Accept Color Drawings" filed on June 30, 2004, namely, Figs. 1-7, 15-18, 20-26, 40-41, 43, 48-49, 53-56, 59-63 and 65-67, are not being canceled. The replacement drawings merely provide black and white versions of the color drawings, as well as replacement drawings for the originally filed black and white drawings.
